Jesus is the source of my abundance...

The power of choice is one of God's greatest gifts to me. I will choose to keep my thoughts focused on prosperity, success, and abundance by meditating on God's Word.

*God's Word says...
This Book of the Law shall not depart from your mouth, but you shall meditate in it day and night, that you may observe to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success.*
